

The Rollo sectional has soft linear edges drowned in extra padding throughout making this “cigar lounge” style sectional masculine in it’s design lines. A tight back and tight seat gives the appearance of modern hard lines, yet it’s as soft as a pillow. The “flange” stitch gives increased durability and shabby chic hint to an already formal looking piece.

All our leather and fabric furniture can be customized to the size & colour of your choice. Also available as a condo sofa, loveseat, chair or sectional of any size. Bench made by Rawhide Leather Furniture in Toronto, Canada.
